\$15.00 Standard installation per service TV, telephone and computer. Additional connections for TV, telephone and Internet will be charges for installation on a "Time and Materials" basis.

TV Internet Telephone

* Other Install _____

New Outlets

New outlets can be installed within the primary residence at the customers request. The cost per outlet may vary. Due to the nature of inside wiring and the uniqueness of each residence, it may not be possible to estimate the cost for installation. The charge for installation of the NEW outlets will be on a "Time and Materials" basis.

Install NEW Outlets * Anticipated # of new outlets _____ _____ qty installed
\$ _____ T & M

VCR's/Stereos/Home Entertainment Systems/Game Consoles

Windom Telecommunications will not connect or provide the labor necessary to install these items. A customer that chooses to have these systems or similar ones connected is responsible for any parts, wiring and labor necessary. Windom Telecommunications will not provide any parts or wiring for the connection of electronics.

Additional Services Available

Wire Service Plan \$2.95 a month per service or \$7.95 for all three services. The plan covers the repair and replacement of telephone wiring and coax cable to Windom Telecommunications installed and conditioned outlets within a residence.
